WORK EXPERIENCE

DATA SCIENCE INTERN
HAMOYE

08/2021 - 11/2021   *Hamilton*

Achievements/Tasks

- Successfully executed numerous Machine Learning Projects.
- Achieved the first place in Premiere Project Presentation titled 'EV Price prediction'.
- Attained 87/100 for Capstone project presentation titled 'Telecom Customer Churn prediction'.

Contact : Linkedin - https://www.linkedin.com/company/hamoyehq/

NETWORKING/AUTOMATION INTERN
NIMBLES ENGINNERING COMPANY

08/2021 - 12/2021   *Ibadan, Nigeria*

Achievements/Tasks

- Acquired skills on the network protocols, how they work and are implemented. In addition I led real life projects e.g setting up LAN network via CISCO router.
- Obtained knowledge on programmable logic controllers,their various types,their differences via specifications and how they function.

INDUSTRIAL PLACEMENT
CONTROL SYSTEMS INTERNATIONAL

01/2020 - 03/2020   *Lagos, Nigeria.*

Achievements/Tasks

- Delivered high quality documents, spreadsheets and presentations for internal and customer.
- Arranged physical and digital files for easy access by authorized personnel.

Machine Learning Engineer
AlphaWorld

12/2022 - Present   *Dubai*

Achievements/Tasks

- Wrote, Implemented and Maintained deep learning algorithms
- Data structures

EDUCATION

SECONDARY SCHOOL
Redeemers High School

07/2010 - 07/2016

UNIVERSITY
Obafemi Awolowo University

01/2017 - Present

Courses

- B.sc Mechanical Engineering

SKILLS

Python Programming. Data Analysis(NumPy, Pandas)

Data Visualization(Seaborn, Matplotlib)

Statistics and Mathematics. Machine Learning. Django

Hadoop(Big Data)

CERTIFICATION

Microsoft Azure AZ-900

Microsoft Azure AI-900

VOLUNTEERING EXPERIENCE.

Cowrywise Student Ambassador.

Social Media Tasks.

Marketing.

FREELANCE EXPERIENCE

Implemented Deep Neural Network Algorithms on Datasets for clients.

Implemented Map reduce for an NLP problem on Hadoop.

LANGUAGES

English.
Full Professional Proficiency

INTERESTS

Music, Cryptocurrency, Basketball, Fashion Design.
